Epworth League California Excursions.

Account Fifth International Convention of Epworth League, San San Francisco is an ideal summer resort—weather always cook. Trip thither in summer, across high tablelands of New Mexicons. Arizona, is pleasant—air bracing, no oppressive heat or dust.

Heat way to go is via Santa Fe Houte, only line under one management, Chicago to San Fenneisco; daily trains to California, Fred Harvey meal service, personally conducted excursions.

On the way visit Indian puedes, and perrified forest; also Grand lanyon of Arizona—world's greatest scenic spectacle, now easily according

neal service, personally conducted excursions.

On the way visit Indian puetics, and perrifted forest; also Grand by nonined that the large named planted by nonined that the large named planted by n majestic mountains, smooth to achies and lovely islands, its old mis-stores, its scutt-frepic feelts and flowers, its great oil wells. This im-portant section reaches an manta. For thesis cheaper than most other complete the mountaint is near comment of the matter than
